INTRODUCTION

The activity department of a college place a crucial role in enriching the students experience by providing a variety of programs and activities that poster the personal growth social responsibility and community engagement.

Below are the key components of the typical college Activity department :-

National Service Scheme:-

NSS activities the national service scheme is the public service program aimed at promoting social consciousness and responsibility among the students. In this we conducted the various activities like NSS swachhata Abhiyan trekking camp, self defense, blood donation camp, health checkup and extra.

SDO :-

The students development program officer is responsible for designing and implementing the programs that support the students growth and development. In this we conduct various activities such as research paper writing workshop, paper presentation, seminar on career planning, Avishkar competition, Guest Lectures, Debate, Panel Discussion, Quiz, Soft-Skills, Inter Personal Skill Aptitude Test as well as Banner Presentation. Product Launching, Science and Technological Projects. etc. To promotes and co-ordinates the different student's activities for better corporate life. SDO Cell tries to nurture students' mental, physical, cultural growth with various activities to improve their overall personality development and to make them civilized Indian citizens to compete in the globalized world.

Social cultural:-

Social culture activities encompass a wide range of events that celebrate diversity and promote cultural understanding. This activities include culture festival, art exhibition, music competition, Rangoli and dance performance. This provide a platform for students to show their talents learn about a different cultures and foster and sense of the community and inclusivity within the college.

Physical Education & Sports: -

Games and Sports play a vital role in a student's life. Sports remove our mental exhaustion. The Department of Physical Education and Sports marks itself as one of the most efficacious Departments of our college .It strives to excel at all levels and bring laurels to the college. We are continuously improving in the sports field. Considering the concept of "SPORTS FOR ALL" throughout the entire session we organized Inter- collegiate, Inter zonal tournament & Sporto Cultural Carnival for students as well as some sports activities for staff (teaching and non-teaching). It is one of the largest co-curricular activity programs that offer an extensive opportunity to all the students and staff. This venture shall enable the students and staff to have fun, learn new sports, enhance social interaction, and tests one's physical capability. These competitions also offer a break from the daily routine tasks and recreate or re-energetic them.

Every year our college students participate in university and Private tournaments such as University, Zonal Level Hockey, Kabaddi, Boxing & Football etc.

FDP :-

The Faculty Development Program aims to support the sustainable development of institute higher education system and achieve higher growth rates by fostering the creation, transmission, and dissemination of knowledge. FDP prepares faculty members for contemporary teaching methodologies. It includes workshops, seminars, conferences, and so on to enhance the intellectual and academic environment in institutions. Faculty development program also offers opportunities for advanced research to get hold of recent trends & developments in the particular field of study.

“HOW TO WRITE RESEARCH PAPER”

The foundation of any institution focused on generating and sharing knowledge lies in research. Nevertheless, producing research that meets local requirements and adheres to global standards has been a significant challenge for these institutions. In this context, instruction in research methodology is crucial for enhancing the research quality of both experienced researchers and beginners.

Therefore, the SNBP ACS & MS, Activity has organized the “Student Development Programme (SDP) on Research Writing” to enhance ACS students’ research skills and make them industry ready. It will impart the necessary research skills, knowledge, and methodological understanding that enable the researchers to develop apt research work. On 4th October 2023 at Amphi theater SNBP Morwadi. The Speaker for SDP was Mrs. Swarti Inamdar. There were 155 who participated in the program.

This program aimed to provide students with essential skills and knowledge on the process of writing research papers, a crucial aspect of their academic and professional development.

The primary objectives of this program were as follows:

- To familiarize students with the key component of research paper writing.
- To provide practical tips and guidance on the research process.
- To encourage critical thinking and effective communication through research paper.
- To motivate students to embark on research endeavors and enhance their academic performance.

Expected Outcomes

After completion of this SDP, students will be able:

- To write an abstract, research problem, research question/s, etc. for their research paper
- To develop a strategy to achieve publication success
- To describe the key ethical issues in research and publishing

The success of this event was attributed to the enthusiastic participation of students and the expertise of the speaker. It inspired students to take an active interest in research and contribute to their personal and academic growth. The program conducted was valuable and informative event.
